**Battle of Bosworth 2005
Cabernet Sauvignon
McLaren Vale**

'Joch Bosworth, Louise Hemsley-Smith and their two baby daughters grow this without poisonous sprays in the soursofs on the scarp north of Wil-lunga. It's highly distinctive, vibrant wine, jumping with as much vigour as baby Margaret Rebekah, whose Mum was up filling up export orders seven hours after the birth last week. All juicy, fresh lolly-pops and spice, it's lovely with your Sunday roast, parsnips obligatory.'
