Battle of Bosworth 2006 Chardonnay Viognier McLaren Vale

'Mainly from mature, organically managed vineyards, this unusual blend shows a lot more gastronomic intelligence than 95% of our overly peachy shiraz/ vio mixtures. This chardonnay's been picked when its acid was high, and fermented in steel, while the viognier's been given the old French oak treatment.

So we get a quincy/ loquat bouquet with wet chalk undertones, and a bright, engaging palate of fresh, rinsing astringency and appetising tannins, a little like a top Veronese soave. Go prawns with sage in flake pastry, or char-grilled crayfish with squid ink tagliolini.'
