**BATTLE OF BOSWORTH
War of the Rosé 2006**

'Lots of reasons to like this: long, clean, cherried flavours; refreshing acidity; no hard phenolics typical of some cheaper rosés; and it's certified organic. Made from Cabernet, the wine has just enough mid-palate richness thanks to the 5.5 per cent residual sugar. Grown in McLaren Vale by Joch Bosworth and made with a bit of help from Ben Riggs. Top quality.'
